A Silver color metal and enamel device 1 1/8 inches (2.86 cm) in height overall consisting of a shield blazoned as follows: "Per pall inverted Gules, Azure and Or, in chief a mullet Argent and a griffin's head erased Sable with an eye of the fourth (Silver) and in base a wing fesswise of the fifth garnished of the fourth (Silver)." Attached below the device is a Black scroll inscribed with "ON THE HUNT" in Silver letters.

SYMBOLISM

Scarlet represents the 36th Armored Division Artillery from which the Brigade was transformed and highlights the key Military Intelligence Brigade task of targeting. Oriental blue is the traditional color used by the Military Intelligence Corps. Yellow is the traditional color of Cavalry. The lone star represents the home of the Brigade, Texas. The griffin embodies vigilance, alertness, and courage referring to the unique Soldiers assigned this mission. Black and white of the star and the griffin's eye symbolizes the overt and clandestine nature of the Military Intelligence Brigade mission. The distinctive silver outline of all the symbols and boundaries is the heraldic color of sincerity and honesty; this is required to be an effective combination of the unusual skill sets within the organization. The wing refers to the airborne elements and the agile structure of the Brigade. "On The Hunt" is the motto and is the task of the Military Intelligence Brigade. Stealth, persistence, relentlessly pursuing to trap and kill our targets.
