MEMORANDUM FOR Commander, 111th Military Intelligence Brigade, ATTN: CSM Ramsey, 2520 Healy Avenue, Fort Huachuca, AZ 85613

SUBJECT: Shoulder Sleeve Insignia for the 111th Military Intelligence Brigade

1. A shoulder sleeve insignia is authorized effective this date for the 111th Military Intelligence Brigade. The description and symbolism of the design are as follows:

DESCRIPTION

A shield shaped embroidered item blazoned as follows: Per fess rayed of thirteen Gules and Or over Azure, overall a phoenix wings displayed forming an "S" Sable all within a 1/8 inch (.32 cm) Black border. The overall dimensions are 3 1/2 inches (8.89 cm) in height and 3 inches (7.62 cm) in width.

SYMBOLISM

The red and gold sun rays above the Azure (oriental blue) are replicated from the state flag of Arizona and are symbolic of the current location of the Brigade. The seven gold sun rays represent the seven southeastern states where the former unit operated along with the seven intelligence disciplines. The six red sun rays represent the steps supporting the intelligence process facilitating situational understanding and decision making. The phoenix silhouette is directly tied to the unit's insignia. The shape of the phoenix is symbolic of the continuous process of intelligence directly supporting operations and is also symbolic of the intelligence warfighting function's ability to leverage the intelligence enterprise at every echelon.

2. This authorization is in accordance with AR 670-1. A copy of this letter will become part of your permanent organizational history file.
